EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

In claims 16 and 25, lines 2 respectively, replace "an integer" with -- a positive integer--.

Allowable Subject Matter

Claims 1-25 are allowable.

The following is an examiner's statement of reasons for allowance: The prior arts of record fail to teach a modulator comprising inter alia an odd-phase sample- and-hold circuit having its output terminal coupled to a first node; an even-phase resonator coupled to both the first node and a second node; a quantizer having its input terminal coupled to the second node, the quantizer having an output terminal; a digital to analog converter having its input terminal coupled to the quantizer output terminal, the digital-to-analog converter having an output terminal coupled to the first node; a first feed forward stage coupled between the first node and the second node; and a second feed forward stage coupled between the resonator and the second node.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
